Hunting Guide

Heartland Pride Outfitters , 2020 - Current

In my 3 hunting seasons at Heartland Pride Outfitters I guided Clients from all over the U.S on trophy Whitetail, Antelope, and Rio turkey hunts. I have been apart of many successful trophy Elk and Mule deer hunts. In our Scottsbluff, Nebraska camp I am responsible for getting meals prepared for a camp of 6-10 clients a week while guiding my 2-3 hunters. Time management is extremely important in my role. My time guiding is spent scouting and ensuring we are hunting in the right places, providing the best experience for our hunters, moving locations or adjusting set ups for better success, cleaning and taking the cape off our trophies that were harvested, working fence, and working as a team and creating a positive atmosphere to welcome guys into.
