kvndykstra@gmail.com

I am a single male, looking for ranch work. Raised on a ranch very familiar with cattle and goats. I can operate a variety of equipment, including dozer, skid steer, loader, and farm tractor. I am also a certified welder. Prefer to stay in Texas, but would consider other locations. Housing is a must have.

Education:

Graduated Eldorado High School—2009 diploma
Western Texas College 2009-2010 Beginner Welding Certificate
Oxy-Fuel Welding & Cutting
Metal Arc Welding
Blueprint Reading
Layout & Fabrication
