Successfully completed tan belt, gray belt, and green belt courses. Learning self defense, attacking, grappling, and restraint techniques.

[USMC MOS School] [Camp Pendleton, CA]

0351 Anti-Tank/ Assaultman Course

Learned to properly maintain and employ MK156 SMAW, MK198 Javelin and explosives to include C4, dynamite, TNT, blasting caps, det. Cord, time fuse etc.

[Philomath High School] [Philomath, OR]

High School Diploma

Received High School diploma with main emphasis in Forestry and automotive mechanics.

WORK OF EXPERIENCE

[Lucich Contract Falling] [Challenge, CA]

Timber Feller

Cut trees for logging operations and hazard tree removal after wildfires.

[City of Pelican] [Pelican, AK]

Public Works Supervisor, Heavy Equipment Operator

Regular maintenance, repair and operation of heavy equipment. Maintenance of critical infrastructure, hazard tree removal, supervise and communicate duties with employees, oversee grant job sites, any and all repairs to roadways and assist in any other departments as needed.

[CCTHITA] [Pelican, AK]

Village Public Safety Officer

Maintain and operate all fire, EMS and search and rescue equipment, as well as facilitate training for all volunteers. Perform routine law enforcement patrols for the town. Coordinate search and rescue operations. Be the liaison between the City and State organizations.

[Strom Contract Cutting] [Alesa, OR]

Rigging Slinger/ Hook tender

Ensure safety of rigging crew, select logs to be choked, set chokers, and cut trees. Hook tender is responsible for overseeing all operations on landing site.

[DTL Logging] [Philomath, OR]

Rigging Slinger

Ensure safety of rigging crew, select logs to be choked, set chokers, cut trees. Along with a variety of day to day tasks.

[United States Marine Corps] [CA & NC]

0351 Infantry

Valid Secret Government Security Clearance, directly responsible for more than \$22 million of weapons and equipment. Conducted training operations in the field and classroom work while in garrison. During combat deployments was designated Humvee driver for CAT teams during patrols. This included performing census patrols, cordon and search, reconnaissance and observation patrols, and quick reaction force. Also controlled detonation of IEDs and UXO along with breaching charges. Maintained static security positions at outpost and entry control points, worked directly with Iraqi Army and Police. Along with that I maintained and operated communication equipment, efficient in capturing, handling, guarding and releasing of detainees along with escorting VIP's as part of PSD. Qualified to employ all weapons systems within the USMC Infantry arsenal.

[United States Marine Corps] [Twentynine Palms, CA]

0933 Marksmanship Coach

Instruct and reiterate the fundamentals of marksmanship during classroom instruction and while on the firing line. Was Range Safety Officer during all range activities.
